COVID restrictions and mandatory vaccinations are outlawed and nullified by Common Law Assembly; Citizens are encouraged to resist police state measures as officials are threatened with fines and imprisonment

Parksville, British Columbia (*Republic News Service*)

In an historic act of direct democracy last night, the Oceanside Common Law Assembly (OCLA) passed a Public Safety Bylaw that prohibits COVID restrictions and mandatory distancing, masking, quarantines, and vaccinations anywhere in the communities of Parksville and Qualicum Beach on Canada's west coast.

As of today, anyone who tries to impose COVID regulations on the people of these communities can face fines and imprisonments by OCLA and its Common Law Court.

Citing International law, the Assembly Bylaw states that these COVID regulations "are unlawful, unwarranted and medically unsound measures that threaten and assault the fundamental liberties, health and security of the people of our community ... Therefore it is ordered that no-one is obligated to consent to or comply with any of these regulations ... and anyone is free to actively resist and disobey such regulations and measures by any means necessary without fear of legal consequence."

The Bylaw concludes by accusing anyone who tries to impose COVID regulations on the community as being part of a criminal conspiracy and threatens them with *"penalties and imprisonment upon conviction by the Common Law Court of Parksville ... All police authorities are expected and compelled by law to enforce this Bylaw or be charged with obstructing justice and democratic process."* (A copy of the complete Bylaw follows.)

In the words of one of the authors of the Bylaw,

"We made history tonight by putting power back in the hands of the people. This is our answer to the police state and the COVID scam. We call on people everywhere to take the same step through their own Common Law Assemblies and Courts".

Since 2015, more than forty Common Law Assemblies have formed across Canada, many of them under the jurisdiction of the Republic of Kanata. The Assemblies have become the front-line defense of Canadians who are resisting the corporate police state.

NOTICE OF PUBLIC SAFETY BYLAW

Abolishing and Outlawing COVID Restrictions, Mandatory Vaccinations and other Unlawful, Unhealthy and Unwarranted Measures in our Community

Issued by The Oceanside Common Law Assembly (OCLA) on Monday, August 24, 2020

LET IT BE KNOWN that the regulations in Canada that restrict free movement and association, impose mandatory quarantines, distancing, medical testing and vaccinations, and require the wearing of masks are unlawful, unwarranted and medically unsound measures that threaten and assault the fundamental liberties, health and security of the people of our community and violate the internationally recognized legal right of free and informed consent that governs all medical procedures. (*Nuremberg Code, 1947*)

THEREFORE IT IS ORDERED by the Oceanside Common Law Assembly as a voice and defender of the people of our community that a) no-one is obligated to consent to or comply with any of these regulations, regardless of what authority, person or individual is ordering or compelling them, and b) anyone is free to actively resist and disobey such regulations and measures by any means necessary without fear of legal consequence.

IT IS FURTHER ORDERED by the Assembly that any individual, official, body corporate or their agent that requires or imposes any of these regulations on anyone in our community is taking part in a criminal conspiracy against their life, wellbeing and liberty, and stands in violation of this Order. As one engaged in a crime, the offender is subject to penalties and imprisonment upon conviction by the Common Law Court of Parksville, British Columbia.

This Order is issued on August 24, 2020 as a legal Bylaw by the Oceanside Common Law Assembly and has the full effect and force of the Law.

All police authorities are expected and compelled by law to enforce this Bylaw or be charged with obstructing justice and democratic process.
